Should you apply?

Check a job before you spend time on it.

Paste a job. See in seconds:

- **A grade for the job**
  A to F, from its pay and the red flags in the posting.
- **APPLY, STRETCH or SKIP**
  Checked against your resume, with what you match and what is missing.
- **Is the pay fair?**
  Compared with U.S. government wage data for that job and city.
- **What the wording really means**
  Plain-English answers for phrases like "fast-paced" and "wear many hats".
